Abdulrahman Ahmed

Front-End Developer

✉ abdulrahman.frontend@gmail.com   ☎ +201007434698   🌐 *https://abd-alrhmen.github.io/portfolio/*

Professional Career Goals

- Remote Front-End Developer: Aim to work as a remote Front-End Developer, contributing to innovative projects with teams from around the world.
- Learn New Technologies: Strive to learn and utilize new frameworks and technologies like Next.js, while enhancing my current skills in JavaScript, React.js, and Tailwind CSS .

Experience

Freelance Front-end Web Developer (Self Employed)   **(May 2024)**

- Took an online course to learn more about web design and management, and successfully finished the course with the highest score
- Developed and maintained responsive web applications using HTML, CSS, JavaScript, and React.js.
- Collaborated with designers to translate UI/UX designs into code.
- Implemented interactive features to enhance user experience.
