Professional Summary

Front-End Developer with solid experience building responsive and accessible web applications using modern technologies such as React.js, TypeScript, Tailwind CSS, and Bootstrap. Skilled in translating UI/UX designs into clean, reusable components and delivering pixel-perfect results. Proficient in version control and collaborative workflows with Git and GitHub. Currently learning Figma to improve design collaboration. Dedicated to writing maintainable and scalable code.

Technical Skills

Languages & Frameworks: HTML, CSS, JavaScript, TypeScript, React.js

Styling & UI Libraries: Tailwind CSS, Bootstrap

Tools & Workflow: Git, GitHub, Responsive Design, Component-Based Architecture, Design Patterns, Agile Collaboration

Currently Learning: Figma

Soft Skills: Time Management, Attention to Detail, Team Collaboration

Professional Experience

Freelance Front-End Developer (May 2024 - Present)

- Developed responsive web applications using React.js, TypeScript, Tailwind CSS, and Bootstrap.

- Converted Figma wireframes into fully functional and interactive UI components.

- Implemented reusable components for scalability and clean architecture.

- Ensured cross-browser compatibility and accessibility compliance.

- Managed version control and team collaboration via Git and GitHub.
